

Building tomorrow's minds :

On the shoulders of teaching giants in the bush capital

Tiffany is nominated for her outstanding dedication to the performing arts and her exceptional commitment to providing enriching extension opportunities for students at St Joseph's.

As an inspiring music teacher, Tiffany introduces students to the joy of listening to, creating, and responding to music in all its forms. Her lessons emphasize rhythm, melody, and the joy that comes from group performance, with a particular focus on the energy and collaboration fostered through music.

A highlight of Tiffany's contributions is her work with students in Years 3-6, preparing them for impressive Bucket Drumming performances showcased at events such as Floriade, Light Up Lyneham, and various community gatherings.

Beyond this, Tiffany generously volunteers her time to lead school choirs, which perform at school functions, community events, and previously at local retirement homes, spreading joy through music.

In both 2021 and 2023, Tiffany successfully organised and directed St Joseph's biennial school musical, a major undertaking that involved all students. She offered lead roles to Year 5 and 6 students, uncovering hidden talents and fostering a love for the stage among her students.

Her dedication to these productions has had a lasting impact, helping students build confidence and develop a passion for performing arts.

Tiffany is a musical cornerstone of St Joseph's, and her contributions go far beyond the classroom. Her passion, creativity, and commitment make her an invaluable member of our school community and a deserving candidate for the Teaching Giant Award.
