

Building tomorrow's minds :

On the shoulders of teaching giants in the bush capital

Evan is a phenomenal teacher who day in day out, demonstrates outstanding care and support for every student in his charge.

Evan works with schools and students that traditionally pose challenges for staff with engagement and classroom management issues.

Evan seeks to inspire a love of music and instrumental playing in all students.

He cultivates positive working relationships with each and every student based on trust and a genuine care for them as young people and as learners.

His gentle and encouraging nature ensures every student in his class feels supported in their learning journeys.
