

Building tomorrow's minds :

On the shoulders of teaching giants in the bush capital

Mrs Wendy Lyons currently serves as our Head of Secondary.

Wendy ALWAYS goes above and beyond. Her dedication is unmatched, her love for the kids in her care is evident - not just to other staff, but to the students themselves.

She is super organised, always passing along information in advance to ensure that things run smoothly, yet she is also able to cope with sudden changes flexibly - such as adding another class to her room if there are not enough casual teachers to cover!

Alumni returning always want to catch up with her and previous students, always ask after her and speak very highly of her. This is not even taking into account all the extra things she does like Evening of the Arts, fund raisers, SRC, girls group, boys group and the list goes on..."

Wendy is an amazing teacher (**all students** deeply respect and like her), and amazing colleague and leader (staff deeply respect and like her)".

She truly is a teaching giant of our community.
