

Building tomorrow's minds : On the shoulders of teaching giants in the bush capital

Nathan Wood has been a middle leader at St Mary MacKillop College for 11 years.

During this time, he has consistently demonstrated high-calibre leadership, particularly in developing successful initiatives that enrich and positively influence students, staff, and parents.

An example of this leadership includes Nathan introducing the attendance of students at an annual pilgrimage to Eden.

The event provides students with opportunities to understand the life and contributions of St Mary MacKillop through a range of activities along with opportunities to engage with the community in Eden.

This exemplifies Nathan's commitment to fostering spiritual growth among students.
