

Building tomorrow's minds : On the shoulders of teaching giants in the bush capital

After many years of being a classroom teacher Mrs Mertz joined Holy Trinity over 8 years ago and quickly moved into the librarian position. She brings a warmth and passion for all things books and a love of reading to our learners.

Our students consistently win awards at the Chief Minister Reading Challenge because of her enthusiasm for sharing books and encouragement of our students. Every year Mrs Mertz celebrates Book Week with style and an energy that aligns with an Olympic athlete in training! From author visits to dress up parades, an awards presentation, providing morning tea for the staff and then a fabulous Book Week Play presented by the staff for the students all under the capable direction of Mrs Mertz.

Our library is a safe place where students can go during break times for quiet games, reading or a game of chess. Mrs Mertz is always there ready for a chat with students, parents, and volunteers.

She is always quick to lend a supporting hand, provide a resource to teachers for a lesson, or help our learners select appropriate books to read.

The library is the hub of our school and Mrs Mertz makes it a happy place where children's love of reading grows! Reading is an adventure that never ends in the library at Holy Trinity.
